Image above: Model 981 8' high Vertical Raised panel, oak stain with window panel. decorative hardware

Impression Collection® doors have been magnificently engineered with an artfully molded wood-grain fiberglass surface concealing durable steel construction.

Model 982 7' high Horizontal Raised panel, cherry stain with window panel

The **Impression Collection®** offers a variety of architectural styles that capture the beauty and detail of natural wood without the maintenance. These magnificently engineered doors feature an artfully molded wood-grain fiberglass surface while concealing durable steel construction, and provide quality, beauty and value to your home.

Built better from the inside out

Model 984 7' high, Horizontal V-groove, red oak stain

Foamed-in-place polyurethane insulation

with an R-value* of 7.6 helps control costly heat loss and gain. This type of insulation can diminish street noise and provides for quieter door operation.

Designed with award-winning safety and technology features including pinch-resistant door panels.

Bulb-type bottom weather seal guards against wind and rain while providing a cushion when closing.

*Overhead Door Corporation uses a calculated door section R-value for our insulated doors.

Fiberglass exterior
Utilizes Therma-Tru™ AccuGrain™ technology for the beauty of wood without the maintenance.

Factory installed powder-coated hardware
Ensures proper alignment and smoother operation with a clean interior appearance.

Wind load and custom options available upon request.

Let us make your dream a reality. Our fiberglass doors will add warmth and ambiance to the façade of any home. After selecting the panel style and adding personal touches like window and glass design and decorative hardware, the finished garage entry is sure to reflect the best of personal style and unmatched elegance.

Impression Collection® garage doors are backed by a limited lifetime warranty on steel backer and a three-year limited warranty against delamination.*

* Warranties vary by model, and are available upon request. See full text of warranty for details.

The Genuine. The Original.

Since 1921, Overhead Door Corporation has not only raised the standards of excellence for the industry—we've created them. Overhead Door created the first upward-acting door in 1921 and the first electric garage door opener in 1926.

Today, our network of over 400 Overhead Door Distributors are still leading the way with innovative solutions and unmatched installation, service and support. So look for the Red Ribbon. It's your guarantee that you're getting the genuine, the original Overhead Door.
